Where a document is omitted pursuant to paragraph (a) of this section, but information relating to the subject matter of such document is nevertheless included in material filed with the Commission pursuant to a determination of an appropriate department or agency of the United States that disclosure of such information would not be contrary to the interests of national defense or foreign policy, a statement from such department or agency to that effect shall be submitted for the information of the Commission. A registrant may rely upon any such statement in filing or omitting any document or information to which the statement relates.

(c) The Commission may protect any information in its possession which may require classification in the interests of national defense or foreign policy pending determination by an appropriate department or agency as to whether such information should be classified.

(d) It shall be the duty of the registrant to submit the documents or information referred to in paragraph (a) of this section to the appropriate department or agency of the United States prior to filing them with the Commission and to obtain and submit to the Commission, at the time of filing such documents or information, or in lieu thereof, as the case may be, the statements from such department or agency required by paragraph (b) of this section. § 230.174 Delivery of prospectus by dealers; exemptions under section 4(3) of the Act.

The obligations of a dealer (including an underwriter no longer acting as an underwriter in respect of the security involved in such transactions) to deliver a prospectus in transactions in a security as to which a registration statement has been filed taking place prior to the expiration of the 40- or 90-

day period specified in section 4(3) of the Act after the effective date of such registration statement or prior to the expiration of such period after the first date upon which the security was bona fide offered to the public by the issuer or by or through an underwriter after such effective date, whichever is later, shall be subject to the following provisions:

(a) No prospectus need be delivered if the registration statement is on Form F-6 (§ 239.36 of this chapter).

(b) No prospectus need be delivered if the issuer is subject, immediately prior to the time of filing the registration statement, to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934.

(c) Where a registration statement relates to offerings to be made from time to time no prospectus need be delivered after the expiration of the initial prospectus delivery period specified in section 4(3) of the Act following the first bona fide offering of securities under such registration statement.

(d) If (1) the registration statement relates to the security of an issuer that is not subject, immediately prior to the time of filing the registration statement, to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, and (2) as of the offering date, the security is listed on a registered national securities exchange or authorized for inclusion in an electronic inter-dealer quotation system sponsored and governed by the rules of a registered securities association, no prospectus need be delivered after the expiration of twenty-five calendar days after the offering date. For purposes of this provision, the term *offering date* refers to the later of the effective date of the registration statement or the first date on which the security was bona fide offered to the public.

(e) Notwithstanding the foregoing, the period during which a prospectus must be delivered by a dealer shall be:

(1) As specified in section 4(3) of the Act if the registration statement was the subject of a stop order issued under section 8 of the Act; or

(2) As the Commission may provide upon application or on its own motion in a particular case.

(g) If the registration statement relates to an offering of securities of a "blank check company," as defined in Rule 419 under the Act (17 CFR 230.419), the statutory period for prospectus delivery specified in section 4(3) of the Act shall not terminate until 90 days after the date funds and securities are released from the escrow or trust account pursuant to Rule 419 under the Act.
